

Activities to Support Home Learning Summer 2022

Whole School Theme: Me and My World

Class: VS (SCERTs)

Topic: Hurray! It's a Holiday!

Explore & Inspire

Curriculum Overview:

This term the whole school theme is 'Me and My World'. In our class we will explore holidays in different part of the world and compare these to holidays in the United Kingdom, looking at a different location each week. We will be designing a poster for a holiday that will include geographical language. During Science we will be exploring the differences and similarities between animals and humans and the importance of keeping healthy through exercise and healthy eating. We will be comparing the human and animal skeleton and finding out why it is important to keep our bodies healthy. We will create an itinerary which will include different physical activities to do on holiday. As well as inventing a healthy holiday menu. For our food technology lessons, we will be making and trying different foods from around the world as well as improving a favourite seaside treat such as the ice-cream. For our English lessons we will be reading stories such as, A camping Spree with Mr. McGee; Everything we ever saw and What the ladybird heard at the seaside. We will be describing characters and settings and writing postcards. In maths we will be revisiting number, fractions, measuring length, capacity and mass and money as well as adding and subtracting. Our PSHE lessons this term will include 'Relationships' and 'Changing me'.

Enrich

Core Book(s): Daisy and the Trouble with Kittens, A Camping Spree with Mr. Magee by Chris Van Dusen; Everything we ever saw by Roland Harvey; What the Ladybird Heard at the Seaside by Julia Donaldson

Activity Ideas:

English: Reading stories about the seaside and looking at different holiday destinations either online or in a holiday brochure.

Maths: Buying an ice-cream from the local shops.

Science: Explore the animals and plant life that live on or near a beach, looking at rockpools, collecting shells from the beach.

Geography; Looking at different tourist attractions from famous holiday resorts around the world, such as, Disney world and Blackpool Tower.

Creative arts: Listen to different music from around the world. Draw a beach scene.

Food Technology: Explore the different foods from around the world. Make a seaside treat such as waffles. Design your own ice-cream.

PSHE; Talk about the different healthy foods that you eat at home. Discuss how you can keep your body healthy and design some exercises to do at home.
