

## Activities to Support Home Learning Summer 2024

Explore, Inspire, Enrich

Class: Puffins  
Topic: We Are Superheroes

### **Explore & Inspire**

Curriculum Overview:

This term our focus text is Real Superheroes by Julia Seal. It's all about the heroes who pulled us through the pandemic – doctors, teachers, shop workers, refuse collectors... there's a long list! We will be taking part in a sensory drama where we each take on one of the roles of these heroes – dressing up as them and taking part in related activities. We'll also be exploring how we are superheroes – our bodies are super and we'll be taking a close look at each of our senses to learn just how super we each are. We'll also be looking into which plants have super powers. Which can grow super-fast? Which have super scents? Ask us again in July and I'm sure we'll be able to tell you all about it. Don't worry, we haven't forgotten about those other superheroes. We'll also be listening to superhero soundtracks from Spiderman to Wonder-Woman as we bake up superhero treats and make our own masks, capes, and badges. We'll be learning all about how people celebrate Eid and the importance of family, and how we can be good friends.

### **Enrich**

Core Book(s):

### **Activity Ideas:**

Become a Superhero! Gather some fabric and make yourself a cape – have a go at decorating it with different materials.

For personalised targets please refer to your child's Personalised Plan.

## Activities to Support Home Learning Summer 2024

Test your super strength! Use stretchy tubes or fabric or invest in some squigz and see if you can pull and stretch them.

Can you become invisible? Try hiding under a blanket. Try hiding different things under blankets – can you move the blankets to find them?

Test your super speed! How fast can you make a ball fly through the air? Practice your throwing or kicking skills with a ball. Why not try different objects? Pool noodles make fantastic javelins!

Why not pop to the library and see if you can find any books about superheroes?

Make sure you have lots of fun and please feel free to share all your amazing activities with us!
